Career Opportunity in Interventional Cardiology

William Osler Health System (Osler) is one of Ontario’s largest community hospital organizations, delivering innovative health care with compassion through more than 650,000 patient interactions every year. With three hospital sites: Brampton Civic Hospital, Etobicoke General Hospital and the new Peel Memorial Centre for Integrated Health and Wellness (opening in 2016-17) we offer a wide range of health services, with care provided by skilled health professionals working in multidisciplinary teams.

We are seeking an **Interventional Cardiologist** to join the dynamic group of 3 interventional cardiologists at Osler. This energetic individual will have fellowship training in interventional cardiology and be part of the rapidly growing program serving the Central West LHIN and surrounding region.

The successful candidates must be able to be licensed to practice in Ontario and have Royal College of Physicians and Surgeons of Canada certification in Cardiology.

Expressions of interest should be forwarded along with your curriculum vitae by **December 11, 2015** to:
